

BRITISH TROOPS AUSTRIA

This is to certify that No. 551776 Rank SGT.

Name STACE J. Unit RAF STN. KLAGENFURT

is authorised to operate an amateur radio station at GERLITZEN ALPE

on an ~~A~~/ B (delete not applicable) licence rating.

1. Station call sign allotted is MB 9 .A.M.
2. Frequency and power limitations for A and B licences are as shown below:

Frequency in Mb/s	Power in watts	
	A licence	B licence
1.800 - 2.000	10	10
3.500 - 3.600	40	25
7.150 - 7.300	25	150
14.100 - 14.300	25	150
28.000 - 30.000	50	50
58.000 - 60.000	50	50

3. Frequency control. The licensee will ensure that NO signals are radiated outside the specified bands, either by reason of frequency drift or of harmonic emission etc. Wavemeters may be obtained on loan from the nearest signal regiment.

4. Type of transmission. All the above bands are open to emission on A 1 (continuous wave), A 2 (modulated continuous wave), A 3 (radio telephony). The station may operate at any time, provided that no period of sending shall exceed ten consecutive minutes. A full log will be kept of all operation.

5. The station will only be operated by the licensee. Messages will only be exchanged with other amateur stations. The use of the station for (a) advertising or business purposes, (b) sending of news, (c) sending of broadcasting programmes, (d) sending of private messages, is prohibited. The licensee shall not receive payment (direct or indirect) for the use of the station, or allow the station to be used for social or political matters.

6. Inspection and control. The station will at all times be open to inspection by duly authorised officers of the Royal Corps of Signals. The licence is subject to immediate withdrawal if considered necessary by Cs R. Signals or CSC Branch BTA. The licence is only valid for British Military or Air Force personnel in the British Zone of Austria and must be returned on leaving the theatre.
